Introduction

The Board of Directors of New Summit Charter Academy (NSCA) has established the overarching dress code policy guidance in JICA-NSCA. The uniform policy, JICA-NSCA-R, is an essential hallmark of the NSCA academic culture. Wearing uniforms impacts the school positively by:

- Fostering a distinct and positive appearance.
- Decreasing distractions.
- Increasing wardrobe equity.
- Supporting the easy identification of visitors or strangers.
- Providing parents and students with an opportunity to demonstrate mutual support of NSCA's core values and beliefs.
- Teaching students the importance of self-discipline and personal responsibility.

Uniforms are mandatory for all NSCA students. Wearing uniforms promotes safety, improves discipline, and enhances the learning environment. Proper wearing of the uniform also shows pride in oneself and NSCA. Students are expected to be in uniform from entering the building in the morning until dismissal. After dismissal, students on campus may be out of uniform but must still be modestly and appropriately dressed. Uniforms must be worn on field trips unless the administration approves otherwise. Uniforms are not required for any evening or weekend activities unless specified by the administration or the activity supervisor.

Uniform Wear Guidance

Students must present a neat appearance. Uniforms must be of an appropriate size/fit and must be worn as the policy intends. An appearance that is extreme, immodest, disruptive, distracting, profane, or disrespectful so that it would draw undue attention shall not be allowed. Distracting wear includes, but is not limited to, clothing with statements, slogans, or conspicuous political or religious symbols or references.

Parent and Staff Responsibilities

- Parents are responsible for ensuring their students arrive in the proper uniform.
- Classroom teachers, staff members, and administrators will enforce the uniform policy and make the final decisions regarding student uniform issues.
- Everyone is expected to comply with and enforce this policy consistently.

Consequences for Uniform Violations

Uniform violations will be documented on the uniform violation form. Suppose a student violates the uniform policy in a manner that cannot be immediately corrected. In that case, the student may be asked to call her/his parent or guardian to bring in the appropriate uniform item(s), enabling the student to comply with uniform policies.
